# PUMPKIN PARTY

Saturday 23rd of November 11am-3pm

The Bevy, 50 Hillside, Brighton BN2 4TF

Halloween may be over, but the horror of food waste continues...

*Each year the UK wastes 18,000T of surplus pumpkins - but that doesn't have to happen!*

Join us for this family-friendly lunchtime event celebrating the tastiness of potentially wasted Sussex produce and meet local organisations working together to reduce surplus food. Hear about – and taste! – our plans to turn leftover food into preserved products, and find out how you can get involved.

Contact [phil@feedbackglobal.org](mailto:phil@feedbackglobal.org) to find out more.

- Sample tasty squash gnocchi and pumpkin soup recipes and tell us your favourite
- Find out why food goes to waste and what you can do about it
- Press local apples into juice
- Take home freshly gleaned surplus squash or pumpkin to cook yourself
